

The Diamond Clover Award is unique to Maryland 4-H and is the highest award a 4-H member can earn. The award consists of six levels that grow in size and difficulty with the 4-H member. Each level is identified with a gemstone: Amethyst, Aquamarine, Ruby, Sapphire, Emerald, and Diamond. Winners of the first four levels are recognized at 4-H unit events.

2016 4-H Diamond Clover Awards

Level 6 – Diamond Clovers

2017 4-H Diamond Clover Awards

Level 6 - Diamond Clovers
