Red House 4H Club News

Reporter: Kaylee Harvey

The February meeting of the Red House 4-H club was held on Wednesday, February 7, 2024 at the Redhouse St John Lutheran Church. The meeting was called to order by president Colton Tasker, Skyler Tasker led pledges, Alyssa Nice called roll, and Will Dixon gave treasure report.

Under old business, Nikki has contacted the vet and they will be doing health checks for the club before spring weigh in, so please let Nikki know if you don't need a vet check. Nikki checked on the activities that members came up with at the last meeting and we voted on the following ones; rodeo, tubing, and ice-skating. With the majority of the members voting in favor of the rodeo on June 15th. The club will pay for each member that would like to go. Nikki needs to know what members are going and how many additional tickets she needs to order at the March meeting. Please bring the money for the additional tickets you need.

Under new business, members were asked to please make sure that their email and phone numbers were correct on the list that is used for group texts and messages. We talked about the donation we received in memory of Cookie Evans and how we wanted to proceed with that. Nikki came up with several different ticket numbers and price combinations for the raffle tickets. All members will began selling them in March and continue through June. The Achievement program will be held on April 7th from 2-4 at the Ag Heritage Hall. The spring weigh in will be held May 10th from 12-8 for all market animals except steers and Spring Show will be May 11th, and both of these will need to be pre-registered for. The club will be doing farm tours on July 13th and we will make more plans closer to that date.

The meeting was adjourned by Jameson Bolyard and Lauren Friend 2nd the motion.
