Script - What you want read while you are modeling. Mail the script with the entry forms to the office or email them to kwood125@umd.edu (Due: July 22nd)

Tips on writing your own script:

- ~ Be creative
- ~ Write it in second person. Example: “Natalie chose this summer outfit because.....”
- ~ Typed or printed - double spaced
- ~ One script for each outfit
- ~ Length - 75 to 90 words (about 30 seconds narration)
- ~ Narration should include:
 - Full name (underlined> and club (some place in the script)
 - Brief description of the outfit - avoid detailed descriptions - if it's obvious to the audience, omit it.
 - Also could include, number of years in 4-H, projects carrying, hobbies, grade in school, and other interesting information.

If you have any questions, please feel free to contact the office at 301 334-6960.
