

The tool bar as modeled below could be located on the bottom or top of your screen. Not all features are available on every zoom as each host has the option on which features are available when they set up a meeting.

Maryland 4-H Volunteers' Association

Zoom Participant Tool Guide Explanations

Click here to change the participants view to speaker or gallery view.

Click here to enter or exit full screen mode.

Click here to mute/unmute your microphone.

Click here to turn on/off your video. It is recommended that you have your video turned off to save bandwidth.

Click here to view the participants list of those on the call.

Click here to view the chat window and text.

Click here to raise your hand, clap, or send emoji symbols to represent your feelings.

Click here to leave the meeting.
