### Fair Sweepstakes—NEW for 2023

Are you planning on entering the fair? Indoor exhibits or animals? The Sweepstakes Competition is being put on by the Junior Fair Board, which works to make the fair bigger and better through active youth in our 4-H program. The Sweepstakes Competition is based on earning points for your entries and service hours during the fair to obtain the most points to win a prize. This works by registering for the competition and then, during the fair, you can pick up a service form to track service hours to add to your "score". Everyone's number of entries, participation in showmanship, skillathon, judging contests and informal demos will be counted up and added to your service hours. You must register for the Sweepstakes Competition **before** the first day of the fair. For more information about registration, please see the attached flyer.

Then come out to poultry judging practice! You don't need to own chickens or have any background in poultry. We'll teach you everything you need to know and have loads of fun along the way.

**All practices will start at 7pm at the Extension Office on Tuesdays in June and July:**

June 6th, 13th, 20th, 27th

The rulebook and bit guide can be found here: [Maryland 4-H Horse Program Webpage](#).

### Children's Day 2023 at the Fair—4-H Clubs are Invited to Participate

---

Attention all 4-H and all FFA clubs! The Fair will once again be hosting Children's Day on Tuesday, August 1st, from 9:00 A.M. to 2:00 P.M. and we need your help! In previous years, more than 1,200 children have attended this event at the Carroll County Fair, and this success has been due to the participation of 4-H clubs, members, and volunteers!

We are asking that clubs sign up for a make-it and take-it craft table as in the past, or to volunteer. The tables or stations can be 2.5 hours or all-day (5 hours) time slots. When preparing these games and crafts, we ask that you keep agriculture, farming, and 4-H in mind. Remember that these activities should engage our youth and encourage them to stay for the day! If you or your club would like to help with Children's Day, but cannot attend that day, we are also looking for donations! You could provide a monetary donation, a donation for goodie bags, or items such as face paints, crayons, etc.

We hope that your club will be able to participate in some way, as it will be a wonderful opportunity to promote and educate young children and their families about the great 4-H program and agriculture here in Carroll County! To sign up for a make-it and take-it table, to volunteer, or to provide donations, please follow this link: <https://tinyurl.com/CCChildrensDay23>

### Fair Silent Auction

---

The Silent Auction Committee is reaching out to local 4-H and FFA Clubs to help make this a memorable year. We are searching for donations of filled baskets, bags, services, antiques, etc. for the Silent Auction that will be held July 29th-August 4th. All proceeds from the silent auction help support future activities for our youth. Funds help pay 4-H state contest fees for members. For questions, or if you would like to donate items, please contact Tracey Paulsen at 443-722-6659 or paulsen66@comcast.net.

## Fair Reminders

**Everyone** is welcome to participate in Fair Board meetings held at the Extension Office/Ag Center. The next meeting is June 28th at 7:30 P.M.

**Too many ribbons?** Don't throw them away. If they are in good shape, drop them off at the Extension Office and we will recycle them for next year.

**2023 Fair Dates**—July 29-August 4, 2023    **2023 Fair Theme**—The Power of YOUth

### Indoor Building Updates:

This month, I will cover the **Foods Department**. The biggest change for this department is Division 105. The name has been changed to “Baking for Specialty Diets” as it was previously called “Baking for Special Needs.” The new name clarifies what and who the 4-Her is baking for. Our Cookie of the Year is the Thumbprint Cookie. The Cake of the Year is the Apple Streusel Cake.

Now is the time to get your recipes together and practice baking the items you want to enter in the fair, so by August 2nd (entry day) you will have mastered them. Cake discs will be available June 1st at the Extension Office. Discs and cake domes will be available at packet pick up and afterwards, too. We should have 2 sizes of domes. The larger domes are for higher cakes that are layered. Other cakes will most likely fit in shorter domes. By picking up the domes early you will not need to transfer your cakes or pies at the fair. Please be realistic about the number of cake domes you take.

4-Hers with livestock exhibits at the fair are encouraged to give an informal demonstration in the livestock barn. Make sure you pre-registered in **I-14 Informal Demonstration** (Department #) before June 10th. Once you have given the demonstration, you will have the communication section of the project record done for that project, receive a premium and a very pretty ribbon.

Livestock exhibitors are encouraged to enter either class in the **General Department (I-12)** - Class 16 or 22 which is a poster or display. Class champions will be competing for a special award. This would be a project exhibit on the livestock project record.

Are you entering your items for the fair? We want our 4-Hers to enter all of their exhibits and we want our buildings full of exhibits. Take the time to consider what projects you may actually complete to enter in the fair and remember there is a simple substitution system within the indoor department. You can take an indoor entry tag and change the class number as long as the substitution is made within the same department.

Writing exhibits are due to the Extension Office by June 26th. An update in the fair catalog online:  
Ag Commodities Assistant Superintendent email—[maryarasche@gmail.com](mailto:maryarasche@gmail.com)  
Clothing Department Superintendent—Jamie Lynn Hester—443-375-7082

If you have questions, please contact the department superintendents.

Sandra Stonesifer, Indoor Superintendent
