## Red House 4H Club News

Reporter: Kaylee Harvey

The April meeting of the Red House 4-H club was held on Sunday, April 7 at the Ag Heritage Hall. The club voted to have our April meeting be at the Achievement Program this month instead of at the regular meeting place. During the program, all members that completed their record book for the 2023 year were recognized for the projects that they completed. Our club received the Outstanding Club of the Year Award. It was a great time to gather not only with our club, but also with members of other clubs.

Under old business members turned in all sold raffle tickets and were reminded that health checks would be April 21st. Times for health checks will be sent out at a later date. The next meeting will be held on Wednesday, May 1st starting at 6pm so we can clean the church graveyard.
