## **Trailblazers 4-H Club News** ***Nicholas Ritchey, Reporter***

The Trailblazers had a meeting on July,16 2024. We met at Herrington Manor and had a picnic. It rained on us a little but we got to enjoy the evening anyway. At our meeting we talked about the fair and if everyone was ready and had everything turned in that needed turned in before the fair starts. Also talked about if anyone could help set up at the fair. The next time our club will meet will be at the fair. Hope to see everyone there and if you can make it out to the livestock sale on Saturday Aug. 3rd that would be a great way to support a great group of kids in the county. Sale starts at 3pm. Hope to see you there.
